## Tegevusaruanne

Aastal 2008 Wellness Group vasakul ruumides Merimetsa Tervisekeskus, kuna need ei olnud soodne nii esitluse tulude ja turustamine.

Kuna aprill 2009 Ilu nimel tingimusel General Medical Services Medcover English AS, on suurimaks tervishoiuteenust osutavate eraettevõtjate Eestis. Kliendibaasi kasvas igakuiselt, peamiselt seas expats ja liikmete diplomaatiliste teenistuste. Ka mõned eestlased küsitakse teise arsti arvamust.

Vaatamata tulude suurendamise, see oli - võrreldes teiste Euroopa riikidega - väga piiratud tulu, et võiks luua. Sel põhjusel Ilu nimel lõppenud koostöös Medcover English AS poolt 2009/12/31 ja firma omanik otsustas Eestist lahkuda majanduslike põhjustel.

Puhkemajad Haapsalus hoolimata suurepärase väärtus, mis on loodud vähem tulu siis jooksvate kulude - hästi kooskõlas teiste hotellide ja restoranide valdkonnas.

## Management report

In 2008 Wellness Group left the premises of Merimetsa Tervisekeskus, as these were not favourable in terms of presentation, revenue and marketing.

Since April 2009 Wellness Group provided General Medical Services in Medicover Eesti AS, one of the biggest private healthcare providers in Estonia. The customer base grew on a monthly basis, mainly amongst expats and members of the diplomatic services. Also some Estonians asked for a second medical opinion.

Despite the increasing revenue, it was - compared to other European countries - a very limited income, that could be generated. For this reason, Wellness Group ended the co-operation with Medicover Eesti AS by 31.12.2009 and the company owner decided to leave Estonia for economic reasons.

The holiday accommodation in Haapsalu, despite being of excellent value, created less income than the running cost - well in line with other hospitality businesses.

## The annual accounts

### Management's declaration

The company focused in 2009 on the provision of private medical services as the main business activity. It also offered hospitality services in Haapsalu.
